FLEGG HIGH SCHOOL INTERNATIONAL SPORTS FESTIVAL 2003

It is with great pleasure that we welcome you to the:
Flegg High School International Sports Festival 2003
SATURDAY 5TH APRIL TO FRIDAY 11TH APRIL
Sponsored by Coopers of Great Yarmouth.
We thank them for their support in staging this event.
The Festival comprises of seven days of sporting competitions,
Performing Arts and the Pet Show.

We would like to welcome again, our friends from Rabka, Poland, and thank them for the wonderful exchange visit we had in February 2003, and that we look forward to 2004 and many more to come.

We would also like to give a warm welcome to our new guests from Le Harve, France. Again we would like to thank them for our exchange during March.

With an estimated 2000 Young People competing, we hope this event will emphasise "Sport for All"

AGRICULTURE AND HORTICULTURE SCIENCE UNIT RABBITS

Once again we were very successful in the exhibiting of our rabbits in 2002. For the first time in our history, we gained the award of Best in Show, at a pen show with a rabbit that was bred in school. We have gained the award at previous box shows during the year, but to beat a strong field at the City of Norwich Rabbit and Cavy Club Pen Show in April was our proudest moment.

It was good to be back at the Royal Norfolk Show last June, and we won many prize cards. In fact, one of our Silver Greys was awarded Junior Show Champion with an Orange Rex in third place.

In October we paid a visit to the second biggest rabbit show in Great Britain, the London Championship Rabbit Show. All three rabbits that were entered came back with prize cards. The young silver grey won the best under five month award, and then came 6th in the Fancy Challenge, under five month from a field of 109 entries.

Some of our pupils also picked up their Rabbit Husbandry Certificates from the British Rabbit Council

POULTRY

The school's chickens were once again among the prize winners at local shows, and the awards are too numerous to list. Once again, we were the most successful Junior Exhibitor at the Lowestoft and Great Yarmouth Poultry Club Shows.

Not to be out done at the Royal Norfolk Show, the chickens won many sections and then took the top two prizes for Junior Exhibitors. The awards were Junior Show Champion with a Bantam Australorp, and Reserve Junior Show Champion with a Large Australorp.
